

PRESS RELEASE

Villars-sur-Ollon, 24th March 2020

The Gran Fondo Switzerland – Villars is postponed to 2021

Considering the current situation related to the Covid-19, the organiser of the first UCI Gran Fondo Switzerland - a cycling for all event scheduled in Villars from 26th to 28th June 2020 - regrets to announce that the event is postponed to 2021.

Unfortunately, it is not possible to set up the event in view of the uncertainty of the current health situation and its duration. Moreover, the absence of logistics from the Tour de Romandie has too great impact on the good preparation and the future running of the event.

The organiser, Chassot Concept SA, thanks its sponsors, participants and volunteers for their understanding and is looking forward to sharing this event in much better conditions in 2021. The exact date of the UCI Gran Fondo Switzerland in Villars for 2021 will be confirmed as soon as the UCI calendar has been validated.

Riders already registered will be contacted shortly regarding their registration for 2020.
